

Resolution Supporting Diversity, Equity and Inclusion

WHEREAS the National Interscholastic Athletic Administrators Association (NIAAA) is an organization that strives to provide professional development and assistance to athletic administrators across the U.S. and other countries;

WHEREAS it is apparent the scope and sequence of such assistance should be expanded to the changing landscape locally and nationally in regards to diversity and equality; and

WHEREAS the NIAAA recognizes that diversity and equality discussions are at the forefront within state associations, and therefore supports athletic administrators as they engage in conversations within their respective school districts, leagues and sections; therefore,

BE IT RESOLVED that the NIAAA will continue to provide support to athletic administrators and promote professional development opportunities through the Leadership Training Institute (LTI) through courses discussing diversity and equality by covering legal issues, administration, diverse populations, and other related topics;

BE IT FURTHER RESOLVED that the NIAAA will continue to provide support to athletic administrators and promote professional development opportunities offered by the National Federation of High School Associations (NFHS) to educate athletic administrators in diversity and equality through NFHS Learn; and

BE IT FURTHER RESOLVED that the NIAAA will provide a global perspective on diversity and equality through presentations, workshops, and publications in order to provide its members with information and strategies.
